

Certificate of RoHS Compliance

To whom it may concern,

We hereby certify that to the best of our knowledge our products

HESAGLAS / TOPACRYL Glas VOS, HL and HT

do not contain substances that are banned or controlled by EU Directive 2002/95/EC, on restriction of the use of certain hazardous substances in electrical and electronic equipment. (RoHS).

No analytical data is available on traces of heavy metals. However, based on the reaction process and the used ingredients, no heavy metals are to be expected.
